DIALOGUE: LANDSCAPE ARCHITECTURE

LE:NOTRE TWO
TOWARDS WIDER OBJECTIVES
thematic network in landscape architecture

Dialogue: Landscape Architecture

Agenda

- About Process + Weblogs
- Parallel sessions:

  Water

  Participation

  Vegetation + Materials
- Feedback + Outlook (Plenary)

Dialogue: Landscape Architecture

What is the function of the weblog?

- Communicate your thoughts
- Comment on others‘ thoughts
- Collect information (set links)

→ Please respect intellectual copyrights

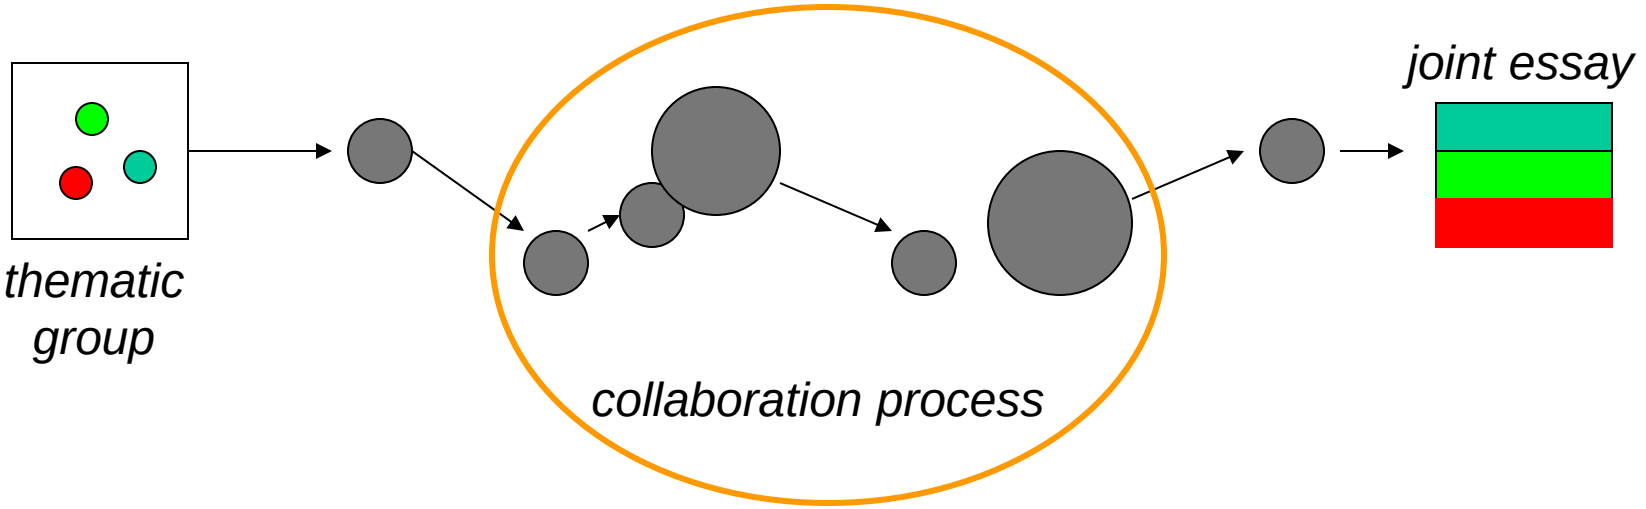
Dialogue: Landscape Architecture

A few words about intellectual property rights

- You can quote from others as long as this is indicated and not too long
- You can set links to external resources
- Images: you can publish your own images only unless they are available under a **public licence**

Dialogue: Landscape Architecture

Small groups + collaborative work



Lost? – Remember the collaboration script!

Dialogue: Landscape Architecture

Where is the collaboration script?

→ Weblogs / category: collaboration script

Collaboration Script

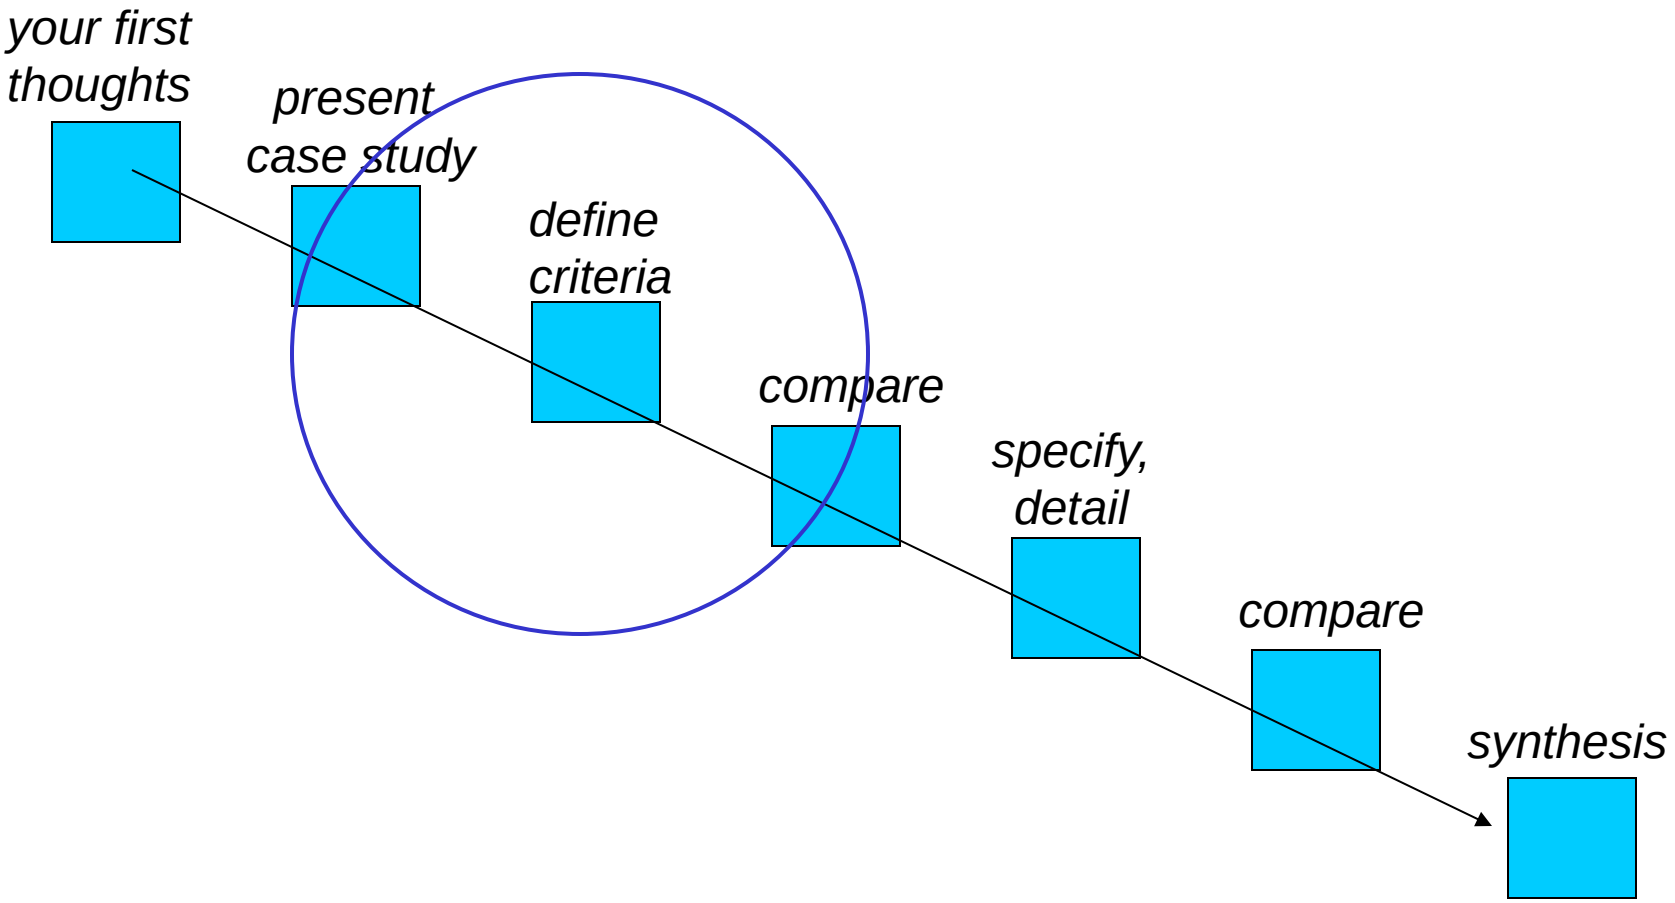
Each group consists of 3-4 people (all at different universities), General timeframe: November – December 2007

Phase		Who?	When?	Details of task	Special roles	check
Present yourself						
Step 1	Everybody receives an ID for editing the collaborative weblog	Ellen Fetzer to the students of the respective group	Until 2nd of November			
Step 2	Everybody gives a presentation of him/herself on the weblog	Every group member individually	publish until 6th of November	Minimum information: Image, place of study, attitude towards landscape architecture, general interests...		
Make up your mind						
Step 1	Every participant writes a short text about what he/she thinks are the main aspects to consider	Every group member individually	puplish until 9th of November	Size: 2000 characters Be intuitive: these are your first ideas		
Step 2	Propose a project example	Every group member individually	puplish until 9th of November	Example should come from your national background (preferably). Give an image and a short desciption (2000 characters)		
Step 3	Read your fellows' texts	every group member individually	Before 14th of November			
Compare your first ideas						
Step 1	**Structure your thoughts**	Every group member individually	Until 14th of November	Prepare 12 Powerpoint Slides with your core ideas + the project		
Step 2	**Compare your ideas**	Small group meeting in VITERO with group tutor	on 14th of November, 18 p.m. CET	Present your slides+ discuss Make first synthesis of arguments Make brainstorming of criteria	Define moderator and minute-keeper Publish minutes until 17th of November	

Phase		Who?	When?	Details of task	Special roles	check
Analyse your project						
Step 1	**Collect material**	Every group member individually	Until 23rd of November	Set literature links or links to other resources on the blog, include images		
Step 2	**analyse the project**	Every group member individually	Until 27th of November	Publish your analysis, refer explicitly to criteria	Everybody comments online on the others' reports	
Step 3	**Compare your analysis**	Small group meeting in VITERO with group tutor	On 28th of November, 18 p.m. CET	Everybody presents **someone else's** project analysis Discuss which criteria were most relevant. Define most relevant criteria	Define moderator and minute-keeper Publish minutes until 30th of November	
Synthesis						
Step 1	**Spread responsibilities**	Group task	28th of November	Each member is responsible for preparing a synthesis report of 1-2 criteria	Distribute responsibilities	
Step 2	**Prepare synthesis report**	Every group member individually	Publish until 11th of December			
Step 3	**Check other's contributions**	Every group member individually		Comment online on everybody's contribution	Course organisers invite external experts / comment	
Presentation						
Step 1	**Spread responsibilities**	Group checks per e-mail	until 17th of December	Each member prepares 3 slides		
Step 2	**Make presentation**	Plenary session in VITERO	On 19th of December/ 9th of January 08	Present and discuss		
Finalisation						
Step 1	Refine the weblog	Every group member individually	Refine the weblog			
Step 2	LE:NOTRE database	Every group member individually	Until 9th of January 07	Add your project + analysis to the LE:NOTRE database		
Step 3	Communicate	group	voluntary	Invite LE:NOTRE members to comment on the weblog		

Dialogue: Landscape Architecture

Basic steps of the collaboration script



Dialogue: Landscape Architecture

Journal of Landscape Architecture – ***Symposium***

- **Steven Velegrinis** (co-author: Richard Weller)
  "The 21st Century Garden City?...*Nils, Knud, Haris, Virpi, Ulrich*

- On 5th of December, exceptionally from 12 – 13 30
  → is announced in LE:NOTRE

- Seminar participants will prepare questions

- The questions will be forwarded to the authors ***before*** the meeting:

your task for November 28th

Dialogue: Landscape Architecture

Agenda for Small Group Sessions

- Show missing short presentations
- Try to define questions for your case-studies
- Agree on the next steps and the timing

Timeframe: 60 minutes

Dialogue: Landscape Architecture

Agenda for Small Group Sessions

- On November 28th you will change roles:

Everybody will present about someone else‘s project.

Timeframe: 60 minutes

Dialogue: Landscape Architecture

Parallel Sessions

- **Session 1 (stays here)**

  Water Moderators: Ellen + Katja

- **Session 2 (goes to room A)**

  Participation Moderators: Nadja + Diedrich

- **Session 3 (goes to room B)**

  Vegetation and Materials

  Moderators: Heike + Ulrich

Dialogue: Landscape Architecture

Evaluation of Prior Experience

Remember our **online survey**...Takes less than 5 minutes!
